I would like to take this opportunity to thank you for sending over such a wonderful lunch last Monday. The dishes were beautifully presented and delicious.

All of my staff members were very impressed and I'm sure they will make it a point to visit your restaurant in the future.

I was pleased to note that you are a vendor for the N.Y.C. Board of Education. We will be in touch with you regarding upcoming meetings that will require catering.

Thanks again.

Yours truly,
